Private Data Protection Notice:

REGULATION (EU) 2016/679 OF THE EUROPEAN PARLIAMENT

The protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) ("GDPR") being necessary for the purpose of the legitimate interests pursued by Howth Golf Club and necessary for protecting against serious cross-border threats to health.

We do this as preventive measures for our staff and members to mitigate the risk of a novel Coronavirus disease (COVID-19) outbreak.

Also, we are collecting personal data to be able to support local authorities in case of an outbreak in Dublin/Ireland. In such a case, the data will help the authorities to trace a human -to-human transmission of the Virus.

This data sheet will be stored confidentially and is not shared with any third party, unless there is an official request by the local authorities for reasons of public interest in the area of public health. The datasheet will be deleted one month after collection, unless a longer period is required by the public authorities.
